Government itself has recognised our importance and growing needs by constituting Udipi into a Municipal town, being the only Municipality in this District besides the District Headquarters.

5 Lastly, we memorialize that the Udipi District Munsiff's Court, which at present possesses a highly attenuated territorial jurisdiction, may have its -- jurisdiction extended by including therein all the villages of the Udipi Revenue Taluk, a good few of which are at present under the Karkal or Kundapoor Munsiffs courts. It is highly inconvenient that these villages have their Revenue and - Criminal jurisdiction centred at Udipi, but should have to resort to Karkal or Kundapoor for their Civil proceedings, and moreover, Udipi is by far more conveniently accessible as well as centrally situated

6 We earnestly hope and pray that you will be pleased to give sympathetic consideration to these requests and sanction the proposals herein submitted at an early date.

We have the honour to be,

Respected Sir,

Your most obedient servants,

The Members of the Udipi

Bar Association.

AN ADDRESS

Presented by the Bar Association, Udipi,

to

The HON'BLE SIR KURMA VENKATA REDDI GARU, Kt., B.A.B.L.,

Law Member with the Government of Madras.

ASSISTANT SECRETARY TO GOVT. 10 DEC 1935

Respected Sir,

1 We, the Members of the Udipi Bar Association, take this opportunity to welcome you to our historictown, and, in doing so, we would humbly recall your immense patriotic services to our province as Minister for a long term with the Government of Madras, and to our countrymen in South Africa as the distinguished representative of the Government of India. We feel especially flattered that such honour and opportunity forservice to our province and country have fallen to the lot of one whom we are proud to claim as a member of our own profession. We hope, in the future Government of India, you will be crowned with even more splendid honours and distinctions and opportunities for advancing the interests of your countrymen.

2 Now, Sir, in an address like this, it would not be usually permissible to memorialize you on matters which come under your portfolio, but it happens that the visit of a Law Member, or indeed of any member of Government, is a very rare thing indeed to our Taluk, and hence the present opportunity is one, which, we feel, we must utilize to its fullest advantage. We, Sir, suffer greatly from the fact that ours is a very remote, outlying and out-of-the-way place in the presidency, and we feel we can say, not unjustly, that our needs and grievances receive only scant attention and redress, unlike those of more favoured Districts nearer the Metropolis. We therefore beg to avail ourselves of this unique opportunity to lay before you for favourable action the following proposals, and request you to secure to us the advantages herein prayed, at an early date of your administration.

3 We submit that in the interests of the litigant public, we are entitled to have an additional Subordinate court at Udipi town, with jurisdiction over Udipi, Kundapoor and Karkal Taluks. The client population incurs heavy expenses and lots of inconvenience in appearing before the Subordinate Court of Mangalore, and we feel that a local Sub Court will enormously lighten the litigants' burden, as well as relieve the Mangalore Sub Judge's Court of its unwieldy jurisdiction --- extending over the entire District.

4 Secondly, we request that the head-quarters of the Revenue Divisional --- Officer at Kundapoor may be shifted to Udipi, which is the centre of the Kundapoor Division, and moreover eclipses Kundapoor in importance, population and amenities. Ours is, as a matter of fact, the second-most populous town in the District, and the
